

Drainage Board met in their regular meeting place in the Rush County Courthouse on March 1, 2010 at 9:40 a.m. with the following present: Marvin L. Cole, Ken Masters, members; Leigh Morning, Board attorney; Marvin L. Rees, Surveyor; Mary Ann Higgins, secretary. T.H. Barnes was absent.

Cole called the meeting to order asking for a motion to sign and approve the minutes of the previous meeting. Masters made the motion called for and the minutes were approved and signed with a 2nd by Cole. Motion carried.

DAVID CANADY TILE

Surveyor asked the Board if any formal paper needed to be filed in order to extend the time for completion of the work on this tile. Work has been held up by the weather. He was told that the contract covered it sufficiently.

LOANS

Surveyor asked for guidance from the Board concerning a loan which will need to be made for work to be done on four ditches. He was advised that one loan would be adequate for all the work.

JABEZ REDDICK TILE #1 AND #2 – HEARING

Marvin L. Cole declared the hearing open and the Surveyor explained the problems to be addressed. A list of those present may be found in the file in the Surveyor's office.

Surveyor presented the waterway issue and after discussion a motion was made by Masters, with a 2nd by Cole, to install the waterway and sign the Final Order. Motion carried.

Surveyor presented the erosion control structure issue and after discussion a motion was made by Masters, with a 2nd by Cole, to reconstruct the original structure and to sign the Final Order. Motion carried.

Surveyor presented the reconstruction of the entire tile and discussion followed. The landowners were asked their preference in doing this and the general opinion was to do this later. A motion was made by Masters, with a 2nd by Cole to table this work until a later date. Motion carried.

There was no further business to come before the board and a motion to adjourn was made by Masters, with a 2nd by Cole to adjourn. Motion carried.
